Subject: fingerprinting problem

Date: Wed, 04 Dec 2002 16:59:23 -0800

From: Joren Lyons <jlyons@beancard.com>

To: Leslie.A.Meeker@usdoj.gov

Dear Deputy Director Meeker,

I am writing regarding Mr. Padam Giri's asylum application (A95 598 771). We have one problem and one question:

Mr. Giri, because he is shuttling between various Nepali families here in the Bay Area so as not to inconvenience any one host, was unaware of his fingerprinting appointment until September 15, 2002, the day after the fingerprinting notice expired. We have now made five unsuccessful requests for a new notice, spanning almost three months: Sept. 16 (phone message at 293-1254); Sept. 19 (at the interview with Officer Frank Edgerton); Sept. 27 (by phone, we were told that a new notice had gone out on Sept. 25); October 11 (by letter, we were told by Michelle Henderson on October 15 that a new notice would be issued that week); October 25 (by phone, Rose Green called back on October 30 to say that a new notice would be issued within a few weeks). As of yesterday, Mr. Giri still had not received a notice. I apologize for his failure to meet the original fingerprinting date, but we very much would like to get him fingerprinted. Can you advise us as to how to do this?

Secondly, Mr. Giri was told at his interview that because he had turned over three pieces of gold jewelry to the Nepali Maoists at gunpoint, his case would be sent to Washington for review regarding providing material support to a terrorist organization. While I certainly understand the importance of screening asylum applicants for terrorist ties, Mr. Giri wonders how long the review might take.

We greatly appreciate any help you can give us in getting a fingerprinting notice, and any estimate of how long the terrorist review might take.

Sincerely,

Joren Lyons

Dear Ms. Kim,

My client, Mr. Padam Giri, from Nepal is seeking your assistance in the matter of his immigration asylum case pending before the Department of Homeland Security in Washington, D.C. His case was sent there approximately one year ago after his asylum interview in San Francisco, California. As you can see from the copy of the attached declaration, his case is very strong. However, there seems to be a concern that he was "giving support to terrorists" when he was forced under threat of death to give the Maoist terrorists jewelry at gun point. Please see points 14-16.

I want to tell you that Mr. Giri is suffering terribly. He has learned that his family home in Jhapa District was burned down in April and his father died under mysterious circumstances in July when he left from Kathmandu to go to the home village to check on damage. He is very afraid for the safety of his wife and children who are staying in Kathmandu. Moreover, Mr. Giri recently lost his job at Safeway food Deli because the management there told him he wasn't smiling enough at the customers.

Please find a copy of a G-28 in addition to the other information. Mr. Giri is signing this letter as a release of confidentiality.

Attention:

Date-04/17/2004

Michele Henderson
San Francisco Asylum Office,
San Francisco.

Dear Sir/ Madam,

My name is Padam Giri. I hail from an Eastern district of the Kingdom of Nepal. I am writing this letter regarding my Asylum Case (I-589), Case Receipt No- FPS*001983361. INS A# 095-598-771.

I was Interviewed on 09/19/ 2002 in the San Francisco Asylum Office, at 9:30 AM, by the asylum officer. In the end of my Interview he Wished Me Good Luck.. But, I never got any result or decision. It's going to be almost two years in August 2004. But I am still waiting to hear the decision about my Case.

I would be grateful, if you would kindly expedite the decision of my case. Because of the delay about the decision of my case, I am having the following problems.

The constant fear of murder is always looming in my head, about my wife and two children. They are still in Nepal. The situation in Nepal is violent due to the Maoist Insurgency. I am always having worries about my Wife, and two small Children. I am terribly suffering at this condition, as day by day Nepal's security condition is becoming worse and worse. Living with terrible Fear of Kidnap, Rape, And Murder about my Wife and Children is very hard.

I have lost my patience and hope to live. I asked to my Lawyer to make a request to BCIS about my Case. But, they always ask for extra money. In this current situation I am unable to afford the lawyer fees. This is why I am writing this letter. This is a only one last place where I can hope for the safety of my wife and the life of my two small Children .

I am , like always, praying with God to find someone who can hear my pain. Once again, I would like to request to expedite the decision of my case. I would like to hear something good about my case. That might Encourage me to live.

I would like to say sorry for writing this long letter. Thank you for your time in reading my letter. These are the pain of my heart, and I would like to share with you.

Sincerely,

 Mountain View, CA 94040

Re: A95598771

The status of your case is checked below:

- ☐ No interview has been scheduled as of the date of this review. You will be notified by mail three (3) weeks prior to the scheduled interview date.
- ☐ Your application is pending in this office. You will be notified by mail of any decisions relating to your case. You need to notify this Office of any change of address to prevent delays in receiving further notifications regarding your case.
- ☐ Your asylum application is pending in this office. It is not possible to project with any certainty when you will be scheduled for an interview. Your name will be placed on our interview list for consideration for the next circuit trip.
- ☐ Your asylum application was approved on _____. Notice of this action was mailed to your last known address: _____. This office has completed all action on your case and your file has been forwarded to the National Record Center. If the U.S. Postal Service returned your approval notice, it was placed in the file, and your local Citizenship and Immigration Service office can assist you in obtaining your approval notice. If your approval notice was not returned to this office, you must file a Form G-639 (FOIA request) to obtain a copy of the notice and Form I-102 to obtain a new I-94 card. Both forms (G-639 and I-102) can be filed with your local office.
- ☐ We are awaiting the results of a confidential background criminal check. You will be notified as soon as this investigation is complete. You may be contacted to submit another set of fingerprints for this investigation.
- ☐ The San Francisco Asylum Office handles interview and inquiries related to Asylum and NACARA applications pending within the jurisdiction of the San Francisco Asylum Office. Your inquiry regarding _____ needs to be directed to the following office: _____.
- ☐ This office has completed all processing on your case. Your asylum case was denied on _____, and you were restored to the status you were maintaining at that time, which was _____. If you are no longer maintaining that status and would like to be placed in Removal proceeding, please submit a written request to this office. Your request should include your file number, the status that you were previously maintaining, the date that status expired, evidence of that expiration and your current address.
- ☐ There is no record of you being the authorized representative for this case. To protect the confidentiality of the applicant, you must submit a duly executed Form G-28, (signed by you and the applicant), with your inquiry so we may respond.
- ☐ Your inquiry did not contain sufficient information to be processed. Please resubmit your inquiry with your complete name, date of birth, country of birth, and/or Alien Registration Number.
- ☐ Your change of address has been updated.

Your request for asylum was referred to the Immigration Judge. This office no longer has jurisdiction over your asylum case. Your case has been forwarded to the Office of District Counsel. Any further inquiries should be directed to that Office. The address is as follows: _____

] Your case was administratively closed due to an invalid address (mail sent to your address was returned undeliverable). If you would like to have your case re-opened, please submit a written request to the attention of Michelle Henderson. Your request should include your file number and your current address.

] Your asylum case was closed for failure to appear for a scheduled interview on _____. Notice of this interview was mailed to the address you provided the Service.

] Our records show you may be eligible to apply for benefits under The Nicaraguan Adjustment and Central American Relief Act (NACARA). This means you will not be scheduled for an asylum interview or receive a decision on your asylum application, if you have already been interviewed, until you have the opportunity to apply for NACARA benefits. If you prefer, you may ask to have your asylum interview scheduled as soon as possible. But if you choose this option, you will not be able to apply for NACARA benefits with the United States Citizenship and Immigration Services (USCIS). Please see the attached fact sheet, which has more information about NACARA.

] Your Form I-881, application under section 203 of the Nicaraguan Adjustment and Central American Relief Act (NACARA) is pending in this office. **Priority is given to applicants whose qualified family members turn 21 years old in the next six months, and those who have emergencies.** It is very important that you notify this office of any change in address, so that we may notify you of your interview date. If you have received an Acknowledgement of Receipt of your NACARA application, but have not received a fingerprint appointment notice, please note all fingerprint scheduling was suspended in July 2000. This is because the Asylum Program does not have the resources to interview all NACARA applicants within 15 months from the date of filing a NACARA application and fingerprint clearances expire after 15 months. If you have not been scheduled for a fingerprint appointment, the USCIS will send you a notice to be fingerprinted prior to scheduling you for an interview.

If the USCIS received the results of your fingerprint check more than 15 months before your scheduled interview, you will be rescheduled for fingerprinting at no cost to you.

] You have sent your application to the wrong address. The San Francisco Asylum Office does not accept initial filings for asylum. Please refer to the instructions you received with your I-589 application, and send your application to the appropriate Service Center. If you are in proceedings in Immigration Court, you are required to file your application with the Immigration Court having jurisdiction over your case.

] Our records show you belong to a special class of asylum applicant whose claim for asylum is based on Coercive Family Planning. Under Section 207 (a) (5) of the Immigration and Nationality Act, no more than 1,000 individuals per fiscal year may be granted asylum based on resistance to a coercive population control (CFP) program. In order to ensure compliance with the 1,000 cap, individuals who establish asylum eligibility based on CFP are issued conditional grants of asylum and placed on a waiting list or final approval. The number of individuals establishing asylum eligibility based in CFP has exceeded 1,000 every year since fiscal year 1998. Individuals issued conditional grants can expect to wait several years after the conditional grant date for a final approval. On _____ you were issued a conditional grant of asylum based on CPC and placed on the waiting list for a final approval.

] You previously had two files with the Citizenship and Immigration Services, _____, and _____. We have consolidated them into one file. The surviving file number is: _____. Please use this number when referencing any Immigration information.

X] **Other: Your asylum application is pending review; when a decision is reached you will be promptly notified.**

If you have any questions, please contact our office at the address listed above to the attention of Michelle Henderson. Always notify this office of any address changes. Include your file number in any correspondence sent to this office.

Inquiry and Change of Attorney Address for Asylum Applicant
Padam GIRI (A95 598 771)

Dear Asylum Officer:

I represent the above-named asylum applicant, a G-28 is attached. My client was interviewed by Officer Edgerton in your office on September 19, 2002. At that time, we were informed that his case would be sent to Washington D.C. for further review. My client was assaulted by Maoist rebels in Nepal and surrendered jewelry to them while they held a gun to his head. Given these facts, Headquarters was to review the case to determine if there was any issue related to providing material aid to a terrorist organization. To date, we have received no response as to the outcome of my client's case. We would appreciate any information about the status of his case.

In addition, please note that our office address has changed to 110 11th Street, Oakland, CA 94607 and kindly forward any correspondence to this new address.

Thank you for your prompt attention to this matter.
